

# TESTED

Music: T. Kunz / Lyrics: T. Kunz

(verse 1)

Do you want to show me something I've  
never seen before?  
Do you even have the nerve to try?

(pre-chorus 1)

Your fist is like a kiss,  
Emasculating shove,  
When you abandon your instincts and  
forget your love.  
You say you wanna challenge me?  
So, challenge me.  
Good luck.

(chorus 1)

I want to be tested,  
Forever invested  
In all that you do.

I want to be rejected,  
A little aggressive  
With someone like you.

(verse 2)

Do you want to crush this fragile  
heart within your hands?  
Are you waiting for an invitation?

(pre-chorus 2)

You want to build me up.  
You want to break me down.  
You want to twist my verbs,  
Objectify my nouns.  
You want to take my blame.  
You want to bury my shame.  
You want to scream my name.

(chorus 2)

I want to be tested,  
Forever invested  
In all that you do.

I want to be rejected,  
A little aggressive  
With someone like you.

I want to be tested,  
An open confession  
Talking me through.

I want to feel tempted,  
Hurt and neglected  
By someone like you.

(organ / guitar solo)

(pre-chorus 3)

I'm looking through you.  
I never knew you.  
I gave this to you,  
And now I want to forgive you.

Can you hear me? This is only a test.  
Can you hear me? This is only a test.  
Can you hear me? This is only a test.  
This is only a test.

(repeat chorus)

By someone like you X2
